east village was not always the fashionable destination it is today when the first settlers arrived in 1843 on the muddy banks of the des moines river it was in direct violation of a treaty with the local natives the settlement grew so quickly that by 1855 the fledgling city had been selected to be the state capital and the building was constructed in east village the next century saw rivalries with the western half of the city the birth and battle of one of the city s largest red light districts and the construction of some of des moines most prized historic treasures historian hope mitchell investigates the people and events that shaped the culture and landscape of des moines most dynamic neighborhood

this volume offers insights into the ways in which plain language has influenced the language of the law in the united kingdom critically reflecting on its historical development and future directions the book opens with an overview of the theoretical frameworks underpinning plain language and a brief history of plain language initiatives as a foundation from which to outline ongoing debates on the opportunities and challenges of using plain language in the legal domain the volume details strands where plain language has had considerable impact thus far on legal english in the uk notably in legislative drafting but it also explores areas in which plain language has made fewer inroads such as the language of court judgments and that of online terms and conditions the book looks ahead to unpack highly topical areas within the plain language debate including the question of design and visualisation and the ramifications of digitalisation contributing to ongoing conversations on the importance of plain language both in the uk and beyond this book will be of particular interest to students and scholars interested in the intersection of language and the law as well as related disciplinary areas such as applied linguistics and english for specific purposes

since 1908 the corporate giant now known as champion international has operated a pulp and paper mill along the banks of the pigeon river in canton north carolina as a result during most of those years this once sparkling appalachian stream

has been virtually useless except as an industrial sewer foamy foul smelling molasses colored by polluting the river the mill that brought prosperity to canton stunted the economic growth of the downstream communities in cocke county tennessee although public pressure to clean up the pigeon surfaced intermittently it has been only in the years since 1985 that two organizations the pigeon river action group and the dead pigeon river council have mounted a sustained drive against the ongoing pollution today following a multimillion dollar upgrading of the champion mill the pigeon river is cleaner but hardly pristine moreover there is little evidence that champion carried out its modernization for any reasons other than economic ones
